Q&A WITH GENEVIEVE

FAVORITE WAY TO USE WALLPAPER

I love it in otherwise mundane spaces: laundry rooms, mudrooms, closets.

WALLPAPER ACCENT: FRIEND OR FOE?

While I'm not a huge fan of the painted accent, I love me a wallpapered accent.

WHAT'S UP NEXT?

I just launched the Genevieve Gorder Collection of fabrics and rugs with Capel.

A big line with Land of Nod will be coming in 2017. It is an exciting time! ■
