

Design Your Own Order Guidelines

Tempaper custom orders are printed on a self-adhesive, removable, fabric wallpaper. Whether you choose to print your own design or image, or recolor a Tempaper design please follow the guidelines below to ensure a seamless process.

The standard turn around time for all orders is 5-15 business days

Design services are available for \$75.00/hr.

Please email custom@tempaperdesigns.com or call 732-920-2654 to inquire.

Accepted Color Format

Adobe RGB 1998*

CMYK webcoated SWOP

Pantone

*RGB colors will be approximated with CMYK colors. The colors in digital files may change when transferred to printed production. Digital proofs are included with every order however, ordering a printed proof is always recommended for color approval.

Send us any specific instructions regarding your order

Specify CMYK formula/PMS colors

Upload your file

Tempaper policy regarding custom designs submitted: Customer warrants that customer owns and or has licensed all rights, titles and interests in the design. Customer takes sole responsibility for the design, and or artwork at hand and confirms the design and the manufacture thereof will not violate, infringe, or conflict with any rights of any third parties or violate any other law, rule or regulation. If such an instance occurs, LolliProps Inc., will be held harmless from all cost, expenses, damages, lawsuits, and claims that arise from the manufacturing of customer's design. LolliProps Inc., has the right to deny any work of art that it deems inappropriate or offensive.
